

# Bird Studies Canada Gift Shoppe

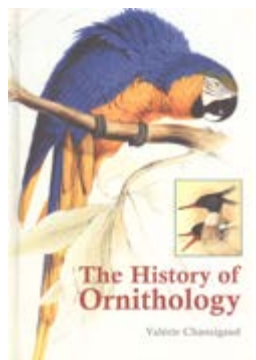

## Featured Items of the Season

### Birdwatcher: The Life of Roger Tory Peterson

**\$19.00** B428

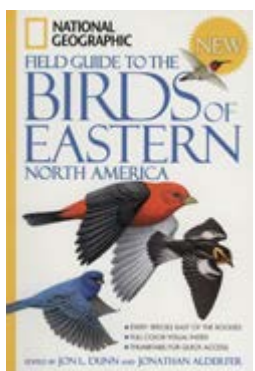

The Renaissance man who taught North America the joy of watching birds also invented the modern field guide.

### The History of Ornithology

**\$16.00** B418

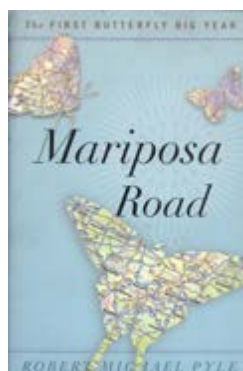

Beautifully illustrated with reproductions of naturalists' drawings and portraits of scientists. Examines the development of ornithology from ancient times to today.

### National Geographic Field Guide to the Birds of Eastern North America

**\$19.00** B399

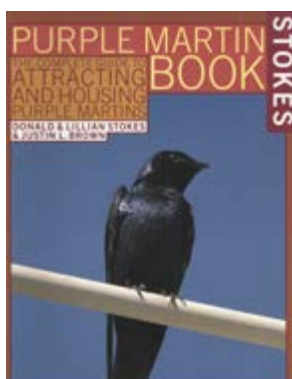

Packed with dynamic new features that will make birding more rewarding than ever before and covering more species than any other book of its kind.

### Mariposa Road: The First Butterfly Big Year

**\$19.00** B429

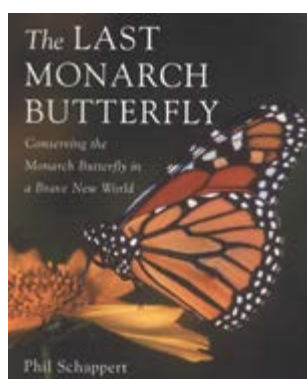

Fun road-trip yarn and natural history travelogue of Bob Pyle's search for as many of the 800 butterfly species as possible.

### The Purple Martin Book

**\$10.00** B427

Become the perfect Purple Martin landlord! All the information you need to attract, house, and care for a colony of Purple Martins in your own backyard.

### The Last Monarch

**\$11.00** B380

Monarch butterflies are one of the most easily recognized and widely distributed butterflies in the world. The Last Monarch is the definitive environmental reference on this threatened species.
