

BIRD STUDIES
ÉTUDES D'OISEAUX CANADA

Special Thanks

Acknowledgements

Long Point Bird Observatory is a program of Bird Studies Canada. LPBO's work is supported by the LPBO Endowment Fund, the Doug Tarry Natural History Fund, the Great Canadian Birdathon, a variety of organizations and agencies, and many individuals. We are particularly grateful to the Ontario Ministry of Natural Resources and Forestry – Aylmer District Office and Wildlife Assessment Program, and to Environment and Climate Change Canada for their support of the Latin American Training Program and migration monitoring as a contribution to the Canadian Migration Monitoring Network, and the National Wetlands Conservation Fund. We are also thankful for the support of The Bradstreet Family Foundation, The Ontario Trillium Foundation, TD Friends of the Environment Foundation, Ontario Ministry of Environment and Ministry of Agriculture, Food and Rural Affairs – Great Lakes Guardian Community Fund, The Norfolk Land Stewardship Council, The Norfolk Community Foundation, and Mr. James and Betty Runnings.

We also appreciate the permission LPBO receives to operate its projects on properties owned by: Norfolk County, Fisheries and Oceans Canada, Transport Canada, Environment and Climate Change Canada, Long Point Company, Ontario Ministry of Natural Resources, Ontario Ministry of the Environment, and Connie and Vernon Smith.
